

Huawei PISC Board Datasheet	
Item	Details
Description	DC Power Board, Complete Set
Part Number	02313ATW
Model	H901PISC
Card type	Power board
Silkscreen	PISC
Power input	-48 V or -60 V DC power input (input voltage range: -38.4 V to -72 V)
Board detection	Y
Filtering and current-limiting for the power input port	Y
Detection of protection fuse faults	Y
Protection alarm	Y
Energy consumption management	Y
Detection of power input	Y
Dimensions without packaging (H x W x D) [mm]	130.00 mm x 35.28 mm x 253.00 mm
Weight without packaging [kg]	0.79 kg
Static power consumption [W]	2.5 W
Maximum power consumption [W]	3 W
Operating temperature [° C]	-40° C to +65° C
Maximum Frame Size of Boards (Default) [bytes]	N/A
Maximum Frame Size of Boards (jumbo frame enabled) [bytes]	N/A
Maximum split ratio	N/A
