

ZTE PRWG Board Datasheet	
PRWG	ZXA10 C300/C350 DC power card
Interface	1 power interface 2 RJ-45 interfaces (reserved)
Maximum current	30 A
Vadli Slot	ZXA10 C300 slot 0/1 ZXA10 C350 slot 11/12
Function	<ul style="list-style-type: none"> • Supports one –48 V/–60 V power interface. • Supports power interface filtering and protection. • Supports system power consumption detection. • Supports the detection alarm protection of input under-voltage, over-voltage, and interruption. • Supports maximum current 30 A. • Supports two reserved RJ45 interfaces.
Card Dimensions (Height × Width × Depth)	197.75 mm × 25 mm × 225 mm
Card Weight	0.363 kg
Power Consumption (W)	5 W
